

I have decided to use National Bike Challenge as a way to raise awareness for Bicycle Safety in Mississippi by participating in Bike Walk Mississippi's "Change Lanes to Pass" Challenge and I'm asking for your help!

All proceeds raised through the Challenge support the statewide bicycle safety efforts of the statewide bicycle advocacy nonprofit, Bike Walk Mississippi, making any donation you choose to make completely tax-deductible. Your support of the Change Lanes to Pass Challenge will help make Mississippi roads safer!

I plan to bike at least _____ miles for the Change Lanes to Pass Challenge.

There are two ways to make a pledge to support my ride:

1. You can sponsor me for an amount per mile or per day that I commit to ride during the National Bike Challenge.

If you choose to give per mile or day, you can name a maximum amount that you are willing to contribute and can even join the fun by keeping keep track of my rides at www.nationalbikechallenge.com!

2. You can simply make an online donation any time between May - September in my name at www.changelanestopass.com

At the end of the Challenge, I will check in with you to let you know how many miles I biked and collect your contribution (or you can follow my online progress at www.nationalbikechallenge.com. You can make checks out to Bike Walk Mississippi or you can make a donation online at: www.bikewalkmississippi.org

Thank you for support me as I ride to raise awareness for Bicycle Safety in Mississippi!
